

# NEW at 45-Store

## 4- Speed Gearboxes

- **Compatible with original and replica housings**
- **Available as complete gearbox or as DIY converting set**
- **When converting set is used in original housing , the housing must be machined slightly to fit first gear.**
- **All Single gears are drop-forged for extra strength!!**

Image below is a converting set containing all internals needed for conversion

## Special Side cover

- **Special CNC machined side cover available for a perfect fit**
  - **No visual differences on the outside!**
  - **Inside is made to fit 4-Speed gears**
  - **Original covers can be machined to fit 4-Speed**
- **Europe made from cast steel ensures top quality**

Image below shows the sidecover necessary to hold the 4-Speed gears. Sold separate from the conversion set, comes with a complete Gearbox
